# NISHAT ANJUM

## FULL-STACK WEB DEVELOPER

+917205997890 | nnishat0079@gmail.com
linkedin.com/in/nishat-anjum | Odisha, India

Results-driven **Full-Stack Web Developer** with practical expertise building and deploying modern web applications. Proficient across JavaScript ecosystems (**React.js, Next.js, Node.js**) as well as robust PHP & MySQL backends. Demonstrated record delivering responsive healthcare portals, interactive ed-tech platforms, and commercial business applications with seamless database integration and live cloud hosting on **Hostinger, Render, and Netlify**.

## TECHNICAL SKILLS

**FRONTEND**
React.js, Next.js, Tailwind CSS, HTML5, CSS3, JavaScript (ES6+)

**BACKEND & APIS**
PHP, Node.js, Express.js, RESTful APIs, Session & Auth Flow

**DATABASES**
MySQL, PostgreSQL, MongoDB, Schema Design & Query Optimization

**DEPLOYMENT & TOOLS**
Hostinger cPanel, Render, Netlify, Git, GitHub.

## PROFESSIONAL EXPERIENCE

### Web Developer — Geinca Futuristic Tech
Aug 2026 – Oct 2026

- Developed responsive, dynamic client portals and business platforms using React, PHP, MySQL, JavaScript, and HTML5/CSS3.
- Implemented secure server-side logic, database operations, and optimized relational MySQL queries.
- Managed domain mapping, SSL configuration, and production web deployments via Hostinger cPanel server infrastructure.
- Conducted comprehensive debugging, cross-browser compatibility testing, and client requirement integrations.

### Web Developer Intern — Zaalima Technology
May 2026 – Jul 2026

- Engineered reusable, high-performance UI components and responsive layouts using **React.js** and **Tailwind CSS**.
- Assisted with frontend state management, REST API consumption, and mobile-first responsiveness fixes.

### Web Developer Intern — Internship Studio
Feb 2025 – Mar 2025

- Built interactive, responsive web interfaces using HTML5, CSS3, JavaScript, and modern React design patterns.
- Applied Git version control for code collaboration, feature branching, and structured project deployments.

## KEY FULL-STACK & WEB APPLICATIONS

**Business Management App** — Live Demo ↗
Full-stack ERP system with secure authentication, role-based admin dashboard, analytics, and operational modules.
Next.js | React.js | PostgreSQL | Render

**Noorify – Arabic Learning App** — Live Demo ↗
Interactive e-learning app with native audio pronunciation, handwriting canvas, alphabet lessons, and real-time quiz scoring.
React.js | JavaScript | Tailwind CSS | Netlify

**Fitness Gym & Wellness Portal** — Live Demo ↗
Modern fitness platform featuring dynamic membership tiers, trainer portfolios, class scheduling, and inquiry booking.
React.js | Tailwind CSS | Responsive UI | Netlify

**Guru Travel & Tourism Portal** — Live Demo ↗
Travel agency platform with holiday destination packages, tour duration filters, customer reviews, and reservation forms.
JavaScript (ES6+) | HTML5 | CSS3 | Netlify

## HEALTHCARE PORTALS & COMMERCIAL CLIENT DEPLOYMENTS

| | | |
|---|---|---|
| **Dr. Mayank Clinic** — Doctor & Consultation Portal — Live ↗ | **Dr. Kumar Abhijit Dash** — Specialist Medical Practice — Live ↗ | **Dr. Sushma Agarwal** — Healthcare & Patient Services — Live ↗ |
| **Delhi Diagno** — Pathology & Diagnostic Center — Live ↗ | **Gems and Vastu Hub** — E-Commerce & Consultancy — Live ↗ | **Raj Residency Koraput** — Hotel & Hospitality Platform — Live ↗ |

## EDUCATION

**Master of Computer Applications (MCA)**
Suddhananda School of Mgmt. & CS
Pursuing – 2nd Year

**Bachelor of Science (B.Sc.)**
Suddhananda Degree Science College
Graduated: 2022 – 2025

**Higher Secondary – Science (PCM, IT)**
Shishu Ananta Mahavidyalaya
Completed: 2020 – 2022
